Pattison Even Though if Defeated  
Made Great Race.

## HIS MANAGERS CLAIM VICTORY

Late Reports Show That the Democrats Have Made Immense Gains in the Cities and Have Rescued Cincinnati From Boss Cox.

(By Associated Press.)  
COLUMBUS, OHIO, Nov. 8.—2 a. m.—The State Journal has estimated pluralities from 63 out of the 89 counties in the State showing a net plurality of 829 for Herrick for governor. The Republican pluralities are 31,670 and the Democratic pluralities, 30,850.

Cleveland for Pattison.  
CLEVELAND, OHIO, Nov. 7.—At midnight the returns from only 99 precincts out of 210 in Cleveland give Pattison, Democratic candidate for governor, a plurality over Herrick, Republican, of 3,425.

Cincinnati Democratic.  
CINCINNATI, OHIO, Nov. 7.—Cincinnati, complete gives Dempsey, Democrat, for mayor, 40,373; Gordon, Republican, 34,372.

## COX QUITS IN DISGRACE.

Complete Rout of Vicious Machine in Ohio Forces Boss Into Retirement.

CINCINNATI, O., Nov. 7.—George B. Cox, the well known Republican leader tonight gave out the following statement, withdrawing from active service in the Republican party:

"Now that the election is over and the people have signified their choice for city, county and State officials, and I sincerely trust they have selected wisely, I wish to announce to the public that from this day, after 25 years of active service in the ranks of the Republican party, my personal activity in politics shall cease.

"I will continue to vote the Republican ticket, but others must bear the burden of future campaigns. To the local Republican organization and many friends that have stood with us in the past I tender most grateful thanks for their unswerving loyalty and support. I hope for their future good will."

## GRAFT IS DOWNED IN PHILADELPHIA

very strong and where the city party put up a most determined fight. The police force was at all times master of the situation and whenever trouble was started it was quickly stopped. Some of these disturbances blossomed into small riots, but after the smoke had cleared away it was found that no one was seriously wounded.

The orders of the police proved extremely irksome to many election officers, principally those affiliated with the Republicans. In many cases they ordered the police away from the polling places and upon their refusal to leave took the matter to court, where the differences were patched up. The election officers also complained bitterly of police interference with legitimate organization voters and asserted that in many instances honest voters were terrorized.

One of the incidents of the Fifth ward struggle was the arrest of Harbor Master Samuel G. Maloney on the charge of conspiracy to hold an illegal election. He is the Republican leader of the ward and his followers were ready to storm the police station if he was not released. He secured bail and will be given a further hearing. Police Magistrate Peasey was also arrested for interfering with a policeman and was released on bail.

Similar scenes were enacted in the Seventh ward, the home of Israel W. Durbin, the leader of the organization and in the Eighth where United States Senator Penrose resides. Outside of the centrally located and thickly populated wards the city was comparatively quiet.

The number of arrests made up to a late hour tonight for election frauds was about 500. Police magistrates were on duty in all parts of the city, giving the prisoners hearings.

zette (Rep.) at midnight claims the election of Plummer by a majority of from 18,000 to 20,000.

The fourth district of the Sixth ward, Allegheny, in which is located the Enterprise National bank, which played such a conspicuous part in the campaign, went Republican by a narrow margin.

## MASSACHUSETTS REPUBLICAN.

Guild Leads the Ticket by a Plurality of 29,435.

BOSTON, MASS., Nov. 7.—Lieutenant Governor Curtis Guild, Jr., of Boston, the Republican candidate, was elected governor of Massachusetts today by a plurality of 29,435. The entire ticket was elected.

## NEW JERSEY REPUBLICAN.

Anti-Machine Candidate Gets More Than 19,000 Majority.

TRENTON, N. J., Nov. 7.—The election in New Jersey today increased the Republican hold upon the State legislature and makes it impossible that a Democrat should succeed United States Senator John P. Dryden in 1907. Colon Colby, the independent Republican in Essex county, whose fight against the machine of his party attracted wide interest, was swept into office by a majority of not less than 19,000 and his majority may go over that.

## ANTI-MORMON WINS.

Salt Lake Repudiates the Polygamists by Small Majority.

SALT LAKE CITY, UTAH, Nov. 7.—At 10 o'clock the election of Ezra Thompson, American or anti-Mormon candidate for mayor, seems certain. Returns from 17 of the 53 election districts give Thompson, 2,834; Mayor Morris, Democrat, 1,493, and Chief of Police Lynch, Republican candidate for mayor, 1,245.

## Gross Fraud in New York.

NEW YORK, Nov. 7.—Max Ishmussen of the Municipal Ownership League, said tonight that the league has evidence of 50,000 illegal votes having been cast. He said that frauds have been discovered in all five boroughs and that the law committee of the league is gathering evidence.

Mr. Ishmussen also announced that all the candidates in all the boroughs on the Municipal Ownership League ticket had been asked to assemble at Mr. Hearst's office in the Hoffman House for an all-night conference on the situation.

Close Contest in Chicago.  
CHICAGO, Nov. 7.—The returns show that more split tickets were voted than in many years. One Democrat, Tolman, has a chance to be elected judge as he figures 3,000 ahead of his opponents, but the other five Republican candidates for judgeship will undoubtedly be elected by pluralities ranging from 5,000 to 25,000.

The vote for sanitary trustees is close and it may take the complete returns to determine the result. The indications are that the Republicans may have the majority of the members of the board. Cook county elected a Republican ticket with one exception.

## AMENDMENT IS LOST

Marylanders in Defeating Measure Elect Many Republicans

## 20,000 AGAINST PROPOSED ACT

Complexion of the Legislature Will Not Be Known Until the Official Returns Are in—Slow in Counting the Vote in Country Districts.

(By Associated Press.)  
BALTIMORE, MD., Nov. 7.—The election in Maryland today was for a State comptroller, legislature and county officers and in Baltimore for a judge of the Supreme Court, sheriff, city clerk and surveyor.

The issue which engrossed popular attention was the proposed constitutional amendment, the avowed purpose of which was to disfranchise negro voters, but which aroused widespread opposition among many Democrats and many foreign voters in both parties.

Owing to the extreme length of the ballot the count has been slow and at a late hour tonight the votes in some of the city precincts and remote country districts have not been counted. The returns so far received, however, make certain the defeat of the proposed amendment by a decisive majority of 20,000 or more and very probably the election of McCullough, Republican, State comptroller, over Atkinson, Democrat, and the election of the Republicans in three out of the four city legislative districts.

The Republican candidates for sheriff, city court clerk, and city surveyor in Baltimore are also elected. Chief Justice Harlan, Democrat, is re-elected by 19,000 majority. The Republicans did not nominate a candidate against Judge Harlan, though there was an independent Republican candidate. The political complexion of the next legislature is uncertain and will not be known until the official count has been completed.
